Please briefly present your organisation (e.g. its type, size, scope of work, areas of specific expertise, specific social context and, if relevant, the quality system used).

DOREA Educational Institute is a non-profit NGO established in 2012 in Cyprus.

DOREA Educational Institute's general scope is to offer high quality non-formal education for adults, covering the three main areas of non-formal education, which is socio-cultural (popular) education, education for personal development and professional training. The professionals working at DOREA, both as staff and external trainers are specialised in delivering excellent and feasible solutions for those who wish to continue personal and professional development through life-long learning educational programmes.

DOREA – Youth Development and Career guidance

DOREA has a vast experience in managing projects in the field of youth within ERASMUS+ KA1, KA2 and KA3 on the topics as: youth unemployment, active citizenship, coaching, entrepreneurship, inclusive education, etc. Since 2012 DOREA also hosted more than 300 interns from all over the Europe within ERASMUS+ Student Internship at DOREA's office in Cyprus, for the internship placement of 2 - 6 months in the fields of Administration, Creative writing, PR & Marketing, EU Project Management, and IT support. Our team members are highly experienced in management and mentoring of the young people while making their first step in their professional lives.

DOREA - Adult Education

DOREA is an international training course provider operating in 12 countries across the EU (Cyprus, Greece, Spain, Italy, Czech Republic, Ireland, UK, Bulgaria, Croatia, Hungary and France) and delivering the training for staff members of the schools, adult education centres, universities, VET organisations, etc.

DOREA has developed more than 30 different courses (among which soft skills/ HR courses, language courses, ICT courses, project management courses, etc.) full list can be seen here: <http://dorea.org/erasmuscourses/>

All 30 courses which are scheduled throughout all year are designed based on the development of the Transversal knowledge, skills and competences which are often referred to as core skills, basic skills or soft skills, the cornerstone for the personal development of a person. Transversal knowledge, skills and competences are the building blocks for the development of the "hard" skills and competences required to succeed on the labour market. Within the skills pillar, transversal skills and competences are organised in a hierarchical structure with the following five headings:

- Thinking (Problem Solving and Decision Making, etc.)
- Language (English, Spanish, French Language courses)
- Application of knowledge (ICT, STEM, Cybersecurity)
- Social interaction (Teamwork, Intercultural Communication, etc.)
- Attitudes and values (Emotional Intelligence, etc.)

Our team consists of more than 40 trainers who are experts in the following fields such as STEM, psychology, NLP, sociology, ICT, project management, Cyber security, etc.

DOREA – Project Management experience

DOREA staff has a vast experience in management and financial management of complex projects co-financed by the EU, and specifically in the areas of preparation of strategic documents, tenders, agreements and proposals, the financial management and monitoring, as well as, coordination of suppliers, and partners, among others, dissemination of the results. Staff members were/are involved in programmes such as ERASMUS+, HORIZON 2020, INTERREG, FP7, MEDA, LLP, Life+, YIA, ESF, ENPI MED.

During last 10 years DOREA implemented more than 60 projects within ERASMUS+ KA2/ KA1/ KA3.

DOREA is committed to the ERASMUS+ 2021-2027 programme goals, which place a strong focus on social inclusion, the green and digital transitions, and promoting young people's participation in democratic life. DOREA supports priorities and activities set out in the European Education Area, Digital Education Action Plan, and the European Skills Agenda.

DOREA – Dissemination experience

DOREA has a vast expertise in dissemination and exploitation of the project results (on it's own DOREA has around 25 000 Newsletter subscribers; around 10 000 social media followers). During past 10 years DOREA was a lead partner responsible for the Dissemination, Visibility, Communication and exploitation activities on both strategic level - preparing the strategies and plans as well as on the implementation level (website and social media channels creation and management, newsletters, brochures, etc.), task delegation to the project partners, supervision and measurement of the progress using both qualitative and quantitative indicators in most of the implemented projects.

Quality System used

When it comes to the quality management system DOREA follows the principles of the ISO 9001:2015 standard. DOREA is currently working on the necessary documentation for Achieving of ISO 9001 certification. Managing Director of DOREA, Jolanta Banelyte is Msc in Business Process Management and has an extensive experience in business process quality management and continuous improvement using different business practices and techniques for quality improvement such as 'Lean', 'Kaizen', 'Six sigma' to mention a few.

What are the activities and experience of your organisation in the areas relevant for this application?

Currently DOREA implements ERASMUS+ KA2 Capacity Building project "Eco-Entrepreneurship & Circular Economy: On the Path to Sustainable Change" The project is based on the need to increase the capacities of 6 youth organizations representing the Programme (North Macedonia, Serbia and Cyprus) and Partner countries of the Western Balkans (Bosnia and Herzegovina, Kosovo and Montenegro) to work with the concepts of eco-entrepreneurship and circular economy, to be able to develop competencies of young people, young people with fewer opportunities in these areas, and to transfer the principles of circular economy in their practices to become more green, sustainable youth organizations ready to face ecological and sustainable challenges of 21st century.

Recently DOREA finalised the ERASMUS+ KA205 project "STREAMpreneur": the project "STREAMpreneur" aims to improve youth entrepreneurial skills, promote innovation and sustainable solutions to real-life problems existing in Europe and beyond, by introducing "STREAM Entrepreneurship" (Science, Technology, Research, Engineering, Arts and Math) among youth workers and providing them with knowledge and tools to implement it their daily youth work. <https://streampreneur.eu/> for this project DOREA was a leading organisation for the development of E-learning platform.

Recently DOREA finalised the ERASMUS+ KA203 Project - 'Safeguarding against Phishing in the age of 4 Industrial Revolution'.

The overall project objectives are to analyse, design, develop and implement an up-to-date curriculum, e-learning materials, blended learning environment, knowledge and skills self-evaluation and knowledge evaluation system simulations for students and other users in order to prevent from phishing attacks, raise competencies in this area for identification and prevention of threats. Project addresses the need for awareness and education in phishing attack prevention. The developed e-learning materials, blended learning environment and simulations will be integrated in curricula at the participating Universities as well as provide the opportunity for increased dissemination of knowledge to EU-Citizens through Open Access.

Recently DOREA finalised the KA220-ADU project "Digital transformation: from adult-education institution to Digital Education Enterprise", which aims to digitally transform Adults Education organisations.

Currently DOREA implements ERASMUS+ KA204 project "Flip Edu Up (FEU)" which aims to modernise the adult education and vocational training system through Blended Learning via the main objectives listed below:

- Improve the teaching skills of adult educators/trainers
- Improve the digital skills of educators/trainers and adult learners
- Improve the capacity of adult educators to deliver high-quality courses using blended learning
- Support modernisation of educational training systems
- Help prepare education providers' readiness, resiliency, and efficiency when handling force majeure situations by equipping them with tools and mindset necessary to continue the learning process and progress
- Smoothen the transition from traditional classroom learning environments to online learning environments for situations where a hybrid/blended learning environment is not an option

DOREA is a member of The Digital Skills and Jobs Coalition and follows it's Members Charter. The Digital Skills and Jobs Coalition brings together Member States, companies, social partners, non-profit organisations and education providers, who take action to tackle the lack of digital skills in Europe.

DOREA is also an associate partner of the STEM School Label initiative <https://www.stemschoollabel.eu/> . With the STEM School Label, school representatives will be able to evaluate their school via an online self-assessment tool according to the criteria defining a STEM School. This self-assessment tool will identify required areas of development and provide training as well as resources for applicant schools to improve their STEM activities at the school level.

The objective of the project is to guide European schools in increasing young Europeans' interest and skills in STEM subjects and to provide the schools with the necessary tools to engage their students, teachers and other actors in related activities by developing an appropriate STEM strategy.

DOREA has a wide network of stakeholders on the local and national level. DOREA is a member of Intercultural Council of Limassol, working group responsible for the **Intercultural Strategy of Education** of the Limassol city. As

Limassol takes a place in the Intercultural cities programme (ICC) by the Council of Europe, which supports cities in reviewing their policies through an intercultural lens and developing comprehensive intercultural strategies to help them manage diversity positively and realise the diversity advantage.

What are the skills and/or expertise of key persons that may be included in projects?

Mrs Jolanta Banelyte – Managing Director & founder (MSc in Business Process Management (BPM) - Vilnius University, Lithuania; BA in Management and Business Administration - Vilnius Gediminas Technical University, Lithuania) expanded her knowledge by the ERASMUS exchange programme at Mendel University, Faculty of Business and Economics, Brno, Czech Republic. In the year 2012 Ms. Banelyte completed an internship in Cyprus by the UNDP (United Nations Development Programme) “Partners 4 Value” thus gaining the skills and knowledge of organisation and implementation of various EU funded projects. Currently Mrs. Banelyte is Managing Director at DOREA Educational Institute and during the last 12 years she enriched her experience in project management, dissemination, communication, promotion, and marketing activities as well as project coordination and management of the projects funded by the ENPI CBC Mediterranean Sea Basin Programme, MED Programme, YIA, LLP, ERASMUS+. Ms. Banelyte is responsible for the management and strategic planning of the organisation’s activities, fostering partnerships with the EU organisations, etc.

Mrs Viktorija Triuskaite – Training and Project Coordinator (BA in Office Management – Vilnius Gediminas Technical University, Lithuania) has studied in Lithuania (BA), Norway (Erasmus studies) and in Georgia (Erasmus Mundus BACKIS programme), which allowed her to enhance international communication skills. She also expanded her professional knowledge during her internship at International Relations Office at Vilnius Gediminas Technical University and Erasmus internship in Latvia, where she got the opportunity to work with EU projects. Afterwards Viktorija decided that this is the area where she sees herself and should continue improving. Currently her research work focuses on social inclusion, digital learning entrepreneurship, and intercultural education. She has developed numerous educational materials such as publications, guidebooks, training programmes, online courses, etc., focusing on transversal skills, entrepreneurship, career guidance and skills development, cybersecurity, etc. Viktorija also has extensive experience in the development and management of Erasmus+ programme projects, the development and implementation of digital marketing tools, as well as the organisation of different events – conferences, training courses, information meetings, etc. Viktorija has been organising the Erasmus+ staff mobility training courses and implementing different Erasmus+ projects for 9 years now, and she has a professional experience in project management, project dissemination, development and implementation of online marketing tools as well as organisation of different events – training courses, information meetings, presentations, conferences, etc.
